INTRODUCTION

Guru Nanak International Public School was established in 1981. It is a treat to see the institution stand fully grown up in all its splendour. The hard toil and firm strides in all spheres has brought it to its pinnacle of glory. We are indebted to the great visionaries; S.B.S. Bishan Singh, S. Sant Singh Gujarkhani, S. Bakshi Pritam Singh, S. Harnam Singh, S. Tarlochan Singh Sarna, Professor Gubir Singh and S. Harbhajan Singh (Advocate) who have rendered Yeoman's service to the cause of education. The school is run under the able supervision and guidance of Guru Nanak Education Trust (Gujarkhan). Since its inception, GNI Public School has played a pivotal role in moulding the students for excellence in academics as well as cultural, literary, sports, moral and religious activities. The school strives to instil in its students spirit of selflessness, discipline and dedication in order to act through awareness and conscious mind.

SCHOOL CAMPUS

The school is housed in Gujarkhan campus that spreads over an area of 12 acres. The sprawling lush green lawns, lined with trees, blooming flowers and grand school building speaks volumes about the care that is being rendered to maintain the school, an aesthetic marvel. The entire ambience of the school is student friendly.

AIMS & OBJECTIVES

The main aim of the school is to provide good academic & value based education with emphasis on harmonious & all round development of student's personality by helping them to imbibe, the qualities, of humility, gentleness & honesty. The school strives to make the students capable of taking up the challenges of life with tolerance, self control & perseverance. It gives equal importance to sports & co-curricular activities. The school endeavours to provide an atmosphere which inspires the students to achieve excellence in all walks of life. In short Education is a passport to the future, for tomorrow belongs to those who prepare for it today.

AFFILIATION

The institute is an English Medium Senior Secondary School affiliated to the Central Board of Secondary Education, New Delhi and follows the NEP prescribed syllabi, up to the Senior Secondary classes.

ACADEMICS

Education plays an important role in today's modern world which is a life long learning. Secondary education can no longer be viewed without the contribution of the primary or the middle education. It is a continuous process of change and adaption, right from the time the child enters the portals of the school. GNI Public School adopts strategies for making the teaching process more dynamic and vibrant, interesting and enjoyable so that the students have zeal to learn more enthusiastically and creatively. The school has etched a niche for itself in the city by providing excellent CBSE Results. This year too was no exception. This is to the hard work of teachers and students towards a common goal of excellence.

NURSERY SECTION

*Tiny tots come with happy faces, Shining uniforms and tied laces.
Come for fun or to run - A race of study has just begun.*

The Nursery section is very colourful and vibrant. The tiny tots learn through array of activities without any burden. Children are encouraged to explore the environment around them. Activities are designed to develop their learning skills and promote sensorial development. The rooms are equipped with educational toys, smart as well as digital boards and are decorated in good taste which presents a cheerful atmosphere.

ORIENTATION PROGRAMME

Every year school organises 'orientation programme' for the parents of the newly admitted students of nursery and LKG classes. Through the programme the parents are apprised of the school's legacy, decorum and the working system of the institution. At the same time through counselling, wonderful tips are shared with the parents for a happy and positive upbringing and smooth transition of the children from home to school scenario.

AV ROOM

The pre-primary wing houses a smart audio-video room for students to enhance their knowledge through education and interactive videos and audios. It is a fun way of teaching and helping students to learn better and faster.

LABORATORIES

The School has excellent and well equipped labs for all the required subjects to strengthen the teaching and learning processes, to promote creative ideas and excellence amongst the learners.

SCIENCE LABS

Physics, Chemistry and Biology labs have been provided with the modern amenities and the latest equipment with apparatus, gadgets etc. to cater to the needs of the students.

MATHS LAB

The Mathematics Lab has been set up, where the students practically work out theorems and mathematical problems. Project work is assigned to the students of all age groups.

COMPUTER SCIENCE LAB/ ARTIFICIAL INTELLIGENCE LAB

Basic computer literacy has become very important for success in every field of life. It is therefore vital for children to understand how to operate computer from a very young age. The school provides computer education from Class LKG onwards. The Computer Labs are equipped with computers of latest technology. Computer aided learning is provided to the students from VI to XII std.

LANGUAGE LAB

Language is a medium of communication & to get proficiency in it, a more practical approach is required. The main purpose of English lab is to create an interactive learning environment to facilitate the practice & development of different linguistic competences.

SMART CLASS

Smart class, a comprehensive solution is designed not only to assist the teachers but also to enhance the student's academic performance by engaging the students on the smart board through 3-Dimensional interactive multi-media modules. The modules allow the students to visualize the concept better than static book images which help in improving overall perception. Our school has embraced the technology to enrich the learning process and be in step with the latest.

INFORMATION TECHNOLOGY/ ARTIFICIAL INTELLIGENCE

Information Technology/ AI has brought the world closer, bringing revolutionary changes in the way we communicate & work, it has at the same time opened the door to the entire world for our children. As years pass by, we are becoming more & more tech savvy, in order to become ready with a new gamut of innovations. IT/AI has been introduced for class IX & X students.

WEBSITE & SMS FACILITY

The school owns a well designed website www.gnips.org which is updated from time to time. The school has a well developed system of SMS facility, through which it keeps in touch with parents for all the important announcements.

LIBRARY

Library is truly called the soul of any educational institution. It not only gives a source of recreation to the students but also develops their mental capabilities and keeps them abreast about the latest developments. It is well stocked with books from India as well as abroad. It is fully equipped with audio/visual aids for teaching and learning. Library periods are provided to each class so that students can develop the habit of reading and consulting reference books.

SCHOOL BAND

The school band has earned the honour of being the best in the city of Ludhiana. It regularly performs on various religious processions.

HOUSES

To provide a competitive spirit among the students, they have been assigned four houses - Blue, Gold, Green and Red. Inter House competitions like Declamations, Debates, Quiz, Shabad Gayan, Sports, Skits and various other activities are held throughout the year to build up their confidence. These activities make a positive contribution towards their cultural and aesthetic development. The students' house council has a democratic setup with elected student representatives.

CURRICULAR ACTIVITIES

The school makes sincere efforts for the holistic growth and well-rounded personality development of the students. Keeping this in view, a myriad of activities are conducted for the students throughout the year which include Essay Writing, Poem Composition, Poster Making, Slogan Writing, Fireless Cooking, Declamation Contest, Quiz etc. Along with these, the

students are encouraged to participate in the celebration of various significant days like Baisakhi, Independence Day, Republic Day, Labour's Day, Mother's Day, International Astronomy Day, National Sports Day, International Literacy Day and the likes of many such days. All this endeavour leads towards making better torch-bearers of tomorrow who are skillful, confident, responsible and well aware individuals, having inter and intra-personal skills. All in all, the school does its best to help the students explore the best in them.

TRIPS & EXCURSIONS

The school organises educational tours to encourage informal education and to expose the children to learning by seeing and exploring things for themselves and add to their store of knowledge. Since past many years the school has been organising educational trips to United States, Canada & various European countries. The students are also taken for various historical tours & adventure trips every year. The students return with happy memories & first hand experience and information to share.

SCHOOL CLUBS

Our school has always strived for over all development of its students and a positive step in this direction has been the commencement of activity clubs. Students from classes 1st to 10th have been enrolled in various clubs comprising of Cookery Club, G.K. Club, Personality Club, Carrom and Chess Club, Heritage Club and many other clubs. Students are given an opportunity to learn, grow and showcase their talent.

ECO-CLUB

To sensitize the children to become crusaders for environmental conservation, Earth Day was celebrated on 22nd April 2023. A special assembly was conducted wherein the students delivered a speech on the theme 'Invest in the Planet'. Various activities were conducted like Slogan Writing, Poster Making etc. in order to make the students aware that 'EVERY DAY IS AN EARTH DAY' and the purpose of celebrating Earth Day is to keep our Earth green and Skies blue with more trees and less pollution.

CAREER COUNSELLING

Seminars on career counselling are conducted regularly to educate the students about the career and life skills. Adolescence programmes for classes IX-XII are also conducted to provide appropriate knowledge to students about the process of growing up and to enable them to deal with gender stereotypes and prejudices.

COUNSELLING

The school has the provision for counselling & has appointed a qualified counsellor. Many students and parents have benefitted, from the sessions conducted, to overcome hurdles and challenges in life.

Confidential discussions done in a friendly environment, can help find the root cause of many painful issues that hamper the performance and over all development of the students in the school. Counselling is a helpful tool to help recognize the problem areas by understanding the nature of the person concerned and chalking out a remedial programme to achieve a positive outcome.

Orientation programmes are also conducted from time to time for senior classes to bridge the gap between parents, teacher and students.

SUMMER CAMPS

The school organizes summer camps every year to re-energize the students. A slew of activities are conducted for different age groups as a part of non academic learning.

PARENTS TEACHER MEETING

Parents Teacher Meets are held regularly to review the progress of the children. Parents should make it a point to attend these meets regularly and are requested not to enter the school premises or classrooms during the school hours.

TRANSPORT & PARKING FACILITIES

The school has many buses which are manned by drivers and lady conductors, who have been provided with mobile phones for better communication and efficiency. The buses have a designated teacher-in-charge for supervision and monitoring. The school also has parking facility for student and faculty members.

SPORTS

Education without sports is incomplete. The school therefore provides a comprehensive platform for active participation in sports to keep the children fit. It inculcates in them qualities of friendship, honesty, fair play and sportsmanship. The school has an extensive playground where students play games like Baseball, Basketball, Softball, Volleyball, Cricket, Kho-Kho, Badminton and Athletics. Many students have brought laurels to the school by excelling in various games. The students have represented the school from District Level to International Level.

The school is also equipped with a Skating Rink of international standard. GNI Public School skaters participate at District / State / National and International Level. Besides the regular Physical Training periods, coaching is also provided during morning and evening hours.
