Office Superintendent	S. Dharminder Singh

A Vision, A Journey, A Legacy

Established in 1981, **Guru Nanak International Public School** has grown from humble beginning into a thriving institution of almost **3,000** students, built on the pillars of excellence, values, and holistic education.

This remarkable journey began with the vision and collective efforts of great educationists and pioneers-**S.B.S. Bishan Singh, S. Sant Singh Gujarkhani, S. Bakshi Pritam Singh, S. Harnam Singh, S. Tarlochan Singh Sarna, Professor Gurbir Singh and S. Harbhajan Singh (Advocate)**. Their foresight, dedication, and tireless efforts shaped this institution and laid the foundation for a legacy that continues to inspire generations.

The school functions under the able supervision and guidance of **Guru Nanak Education Trust (Gujarkhan)**, carrying forward the vision and values on which the institution was founded. Today, this legacy is being strengthened under the visionary leadership of **S. Paramjit Singh Sarna, President**, and **S. Harvinder Singh Sarna, Vice-President**.

Over the decades, **GNIPS** has evolved into a vibrant centre of learning, nurturing generations of students to learn, excel, lead and contribute meaningfully to society. As we look ahead, the school remains committed to innovation, technology, experiential learning, and continuous growth, creating a progressive, future-ready environment for every learner.

AIMS & OBJECTIVES

The main aim of the school is to provide good academic & value based education with emphasis on harmonious & all round development of student's personality by helping them to imbibe the qualities of humility, gentleness & honesty. The school strives to make the students capable of taking up the challenges of life with tolerance, self control & perseverance. It gives equal importance to sports, scholastic as well as co-scholastic activities. The school endeavours to provide an atmosphere which inspires the students to achieve excellence in all walks of life. It is rightly said 'Education is the passport to the future, for tomorrow belongs to those who prepare for it today.

AFFILIATION

The institution is an English Medium Senior Secondary School affiliated to the Central Board of Secondary Education, New Delhi and follows the NEP-2020 curriculum, up to the Senior Secondary classes.

ACADEMICS

Education plays an important role in today's modern world which is a life long learning. Education at secondary level can no longer be viewed without the contribution of the primary and the middle level. It is a continuous process of change and adaption, right from the time the child enters the portals of the school. Aligned with the CBSE Competency Based Education project, GNI Public School focuses on building critical thinking, problem solving, communication, collaboration and holistic development to prepare learners for the future .The School has etched a niche for itself in the city by providing excellent CBSE results. This year too, our teachers and students upheld this legacy of excellence through their dedication hard work and perseverance.

NURSERY SECTION

*Tiny tots come with happy faces, Shining uniforms and tied laces.
Come for fun or to run - A race of study has just begun.*

The Nursery section is very colourful and vibrant. The tiny tots learn through an array of activities which are competency based and it contributes towards learning with fun, by making the process more engaging and effective without any burden. Children are encouraged to explore the environment around them. Activities are designed to develop their learning skills and promote sensorial development. The rooms are equipped with educational toys, smart as well as digital boards and are decorated in good taste which presents a cheerful atmosphere.

ORIENTATION PROGRAMME

Every year school organises 'Orientation Programme' for the parents of the newly admitted students of nursery and LKG classes. Through the programme the parents are apprised of the school's legacy, decorum and the working system of the institution. At the same time through counselling, wonderful tips are shared with the parents for a happy and positive upbringing and smooth transition for the children from home to school scenario.

AV ROOM

The Pre-Primary wing houses a smart audio-video room for students to enhance their knowledge through education and interactive videos and audios. It is a fun way of teaching and helping students to learn better and faster.

SMART CLASS

Smart class, a comprehensive solution, is designed not only to assist the teachers but also to enhance the student's academic performance by engaging the students on the smart board through 3-Dimensional interactive multimedia modules. The modules allow the students to visualize the concept better than static book images which help in improving overall perception. Our school has embraced the technology to enrich the learning process and be in step with the latest.

CENTRE FOR LEARNING SKILLS

An interactive learning centre has been set up for the students of Pre-Primary wing ie Balvatika (1,2,3), I & II classes. The learning centre focuses on helping student develop different skills that reflect upon their ; cognitive, socio - emotional, ethical, physical and language development as well as fosters positive learning habits.

LABORATORIES

The School has excellent and well equipped labs for all the required subjects to strengthen the teaching and learning processes through practical knowledge in order to promote creative ideas and excellence amongst the learners.

SCIENCE LABS

Physics, Chemistry and Biology labs have been provided with modern amenities and the latest apparatus, gadgets etc. to cater to the needs of the students.

MATHS LAB

The Mathematics Lab has been set up, where the students practically work on theorems and mathematical problems. Project work is assigned to the students of all age groups.

COMPUTER SCIENCE LAB/ ARTIFICIAL INTELLIGENCE LAB

Basic computer literacy has become very important for success in every field of life. It is therefore vital for children to understand how to operate computer from a very young age. The school provides computer education from Class LKG onwards. The Computer Labs are equipped with computers of latest technology. Computer aided learning is provided to the students from VI to XII std.

LANGUAGE LAB

Language is a medium of communication & to get proficiency in it, a more practical approach is required. The main purpose of English lab is to create an interactive learning environment to facilitate the understanding & development of different linguistic competences.

INFORMATION TECHNOLOGY/ ARTIFICIAL INTELLIGENCE

Information Technology/ AI has brought the world closer, bringing revolutionary changes in the way we communicate & work, it has at the same time opened the door to the entire world for our children. As years pass by, we are becoming more & more tech savvy, in order to manage the new gamut of innovations, IT/AI has been introduced for class IX & X students.

WEBSITE & SMS FACILITY

The school owns a well designed website www.gnips.org which is updated from time to time. The school also has an advanced system of SMS facility, through which it keeps in touch with parents for all the important announcements and updates.

LIBRARY

Library is truly called the soul of any educational institution. It not only gives a source of recreation to the students but also develops their mental capabilities and keeps them abreast about the latest developments. It is well stocked with books of Indian as well as foreign authors. It is fully equipped with audio/visual aids for teaching and learning. Library periods are provided to each class so that students can develop the habit of reading and consulting reference books.

SCHOOL BAND

The school band has earned the honour of being the best in the city of Ludhiana. It regularly performs at various religious processions.

STUDENT COUNCIL AND HOUSES

To encourage a competitive spirit among the students, they have been assigned four houses - Blue, Gold, Green and Red. Inter House competitions like Declamations, Debates, Quiz, Shabad Gayan, Sports, Skits and various other activities are held regularly throughout the year to build up their confidence. These activities make a positive contribution towards their cognitive, cultural and aesthetic development. The students' house council has a democratic setup with elected student representatives.

CURRICULAR ACTIVITIES

The school makes sincere efforts for the holistic growth and well-rounded personality development of the students. Keeping this in view, a myriad of activities are conducted for the students throughout the year which include Essay

Writing, Poem Composition, Poster Making, Slogan Writing, Fireless Cooking, Declamation Contest, Quiz etc.

Along with these, the students are encouraged to participate in the celebration of various significant days like Baisakhi, Independence Day, Republic Day, Labour's Day, Mother's Day, International Astronomy Day, National Sports Day, International Literacy Day and the likes of many such days. All this endeavour leads towards making better torch-bearers of tomorrow who are skillful, confident, responsible and well aware individuals, having inter and intra-personal skills. All in all, the school does its best to help the students explore the best in them.

TRIPS & EXCURSIONS

Trips and excursions are an integral part of experiential learning, providing students with opportunities to step beyond the classroom, explore new surroundings and gain knowledge through first-hand experiences.

Our school organised trips to different places like Anandpur Sahib and Virasat-e-Khalsa,

Children Traffic Park, Zapp and Maple Jungle for the session 2025-26. These carefully curated visits combine learning with discovery and recreation. Each excursion broadens horizons, encourages social interaction and helps students connect classroom concepts with the world around them. More than destinations, these journeys become enriching experiences that foster independence, confidence and a lasting appreciation for learning—leaving students with joyful memories and impressions that remain long after they return.

SCHOOL CLUBS

Our school has always strived for holistic development of its students and a positive step in this direction has been the inclusion of club activities every Wednesday. Students from classes 1st to 8th are enrolled in various clubs comprising of Cookery Club, G.K. Club, Personality Development Club, Carrom and Chess Club, Robotics and many other clubs. This gives students an opportunity to learn, grow and showcase their talent.

ECO-CLUB

To inspire students to become proactive champions of environmental conservation and sustainability, the school's Eco-Club dynamically organizes vital awareness initiatives throughout the academic year. Students actively drive community-centric programs, including impactful Water Conservation Rallies, extensive Tree Plantation Drives, and comprehensive Cleanliness Drives to foster a greener and pollution-free surroundings. Additionally, the club spearheads the 'Adopt a Healthy Lifestyle' Campaign, inspiring learners to embrace sustainable habits, wellness, and make conscious choices in their daily lives. Through these hands-on activities, the club successfully instills a lifelong commitment to preserving the biosphere and maintaining a clean and vibrant planet.

CAREER COUNSELLING

Seminars on career counselling are conducted regularly to educate the students about the career and life skills. Adolescence programmes for classes IX-XII are also conducted to provide appropriate knowledge to students about the process of growing up and to enable them to deal with gender stereotypes and prejudices.

PARENTS TEACHER MEETING

Parents Teacher Meets are conducted regularly on the fourth Saturday of every month to review the progress of the children. These meetings provide an opportunity for parents and teachers to discuss the child's academic performance, behaviour, participation in various curricular and co-curricular activities and overall development. They help in identifying the child's strength as well as the areas that may need attention and support.

Note: Parents are also requested not to enter the school premises or classrooms during the school hours.

TRANSPORT & PARKING FACILITIES

The school provides a safe, reliable, and well-organized transport facility for students. A fleet of school buses, operated by trained drivers and lady conductors equipped with mobile phones for effective communication, runs on designated routes. Each bus has a teacher-in-charge to supervise and monitor the safe and smooth transportation of Pre-Primary wing students. The safety and well-being of students remain our foremost priority. Adequate parking facilities are also available for students and faculty members.

SPORTS

Education without sports is incomplete. The school therefore provides a comprehensive platform for active participation in sports to keep the children fit. It inculcates in them qualities of friendship, honesty, fair play and sportsmanship. The school has an extensive playground where students play games like Baseball, Basketball, Softball, Volleyball, Cricket, Kho-Kho, Badminton and Athletics. Many students have brought laurels to the school by excelling in various games. The students have represented the school from District Level to International Level.

The school is also equipped with a Skating Rink of international standard. GNI Public School skaters participate at District / State / National and International Level. Besides the regular Physical Training periods, coaching is also provided during morning and evening hours.
